REMARKS

The undersigned acknowledges the courteous treatment received during the course of a personal interview held with the Examiner on this date.

During the interview, the Examiner made some language suggestions to help further distinguish over the art of record, especially with regard to the exact location of the connections between the two material members.

It is believed that the present amendment accomplishes those objectives.

The Examiner is requested to call the undersigned or Mr. Kroll should further changes be required to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,
